How to Use These Prompts

1. Copy the prompt exactly as written
2. Replace everything in [BRACKETS] with your details
3. Paste into ChatGPT, Claude, or Gemini
4. Get results in seconds that used to take hours

PROMPT 1

The One-Page Business Plan Generator

Turn a vague business idea into a clear, actionable plan in 60 seconds.

```
Act as a senior business strategist with 20 years of experience. Create a one-page
business plan for my [TYPE OF BUSINESS] targeting [TARGET AUDIENCE].

Include:
- Value proposition (one sentence)
- Problem we solve
- Target market (demographics + psychographics)
- Revenue model
- Top 5 KPIs to track
- 90-day action plan with weekly milestones
- Competitive advantage

Make it actionable — no fluff.
```

PROMPT 2

The Competitor Analysis Deep Dive

Find gaps your competitors are missing — and exploit them.

```
Act as a competitive intelligence analyst. I run a [TYPE OF BUSINESS] in [INDUSTRY]. My
top 3 competitors are [COMP 1], [COMP 2], [COMP 3].

For each, analyze:
- USP
- Pricing strategy
- Content approach
- Strengths to learn from
- Weaknesses to exploit
- Gaps they're missing

Then give me a "Blue Ocean" strategy — 3 things I can do that NONE of them are doing.
```

PROMPT 3

30-Day Content Calendar Creator

Generate a full month of content ideas in one sitting. The #1 most-loved prompt.

```
Act as a social media strategist. Create a 30-day content calendar for my [TYPE OF
BUSINESS] on [PLATFORM].

My target audience is [AUDIENCE] and they struggle with [PAIN POINTS].

For each day, provide:
- Content type (carousel, reel, story, text post)
- Topic/hook (attention-grabbing)
- Key message (1-2 sentences)
- Call to action
- Best time to post

Mix educational (40%), entertaining (20%), promotional (20%), and personal/behind-the-
scenes (20%). Include 5 viral hook formulas I can reuse.
```

PROMPT 4

The Sales Page Writer

Write high-converting sales copy that turns visitors into buyers.

```
Act as a direct-response copywriter who has generated $10M+ in sales. Write a high-
converting sales page for my [PRODUCT/SERVICE] priced at [PRICE] for [TARGET AUDIENCE].

Use the PAS framework (Problem-Agitation-Solution). Include:
- Headline that stops scrolling
- Opening that calls out the pain
- 5 bullet points of benefits (not features)
- Social proof section
- FAQ (5 objection-handling questions)
- Urgency element
- CTA button text (3 options)

Tone: conversational, confident, zero hype.
```

PROMPT 5

The Email Welcome Sequence Builder

Turn new subscribers into paying customers on autopilot.

```
Act as an email marketing expert. Write a 5-email welcome sequence for my [TYPE OF
BUSINESS] selling [PRODUCT] at [PRICE].

My lead magnet is [LEAD MAGNET]. My audience struggles with [PAIN POINTS].

For each email provide: Subject line (+ 2 alternatives), Preview text, Full email body,
CTA.

Sequence: Email 1 (Day 0): Deliver lead magnet + quick win. Email 2 (Day 1): Pure value.
Email 3 (Day 3): Story + connection. Email 4 (Day 5): Social proof + soft pitch. Email 5
(Day 7): Direct pitch + urgency.

Keep each email under 250 words. Conversational tone.
```

PROMPT 6

The Customer Avatar Builder

Know your ideal customer better than they know themselves.

```
Build a detailed customer avatar for my [TYPE OF BUSINESS] selling [PRODUCT/SERVICE] at
[PRICE].

Include:
- Demographics (age, income, location, occupation)
- Psychographics (values, lifestyle, brands they trust)
- Pain points (go deep — what keeps them up at 3am)
- Buying behavior (triggers, objections, budget)
- Where they hang out online

Give the avatar a name and write a "day in their life" paragraph.
```

PROMPT 7

The Weekly Newsletter Writer

Write engaging newsletters that people actually open and read.

```
Act as a newsletter writer for a [TYPE OF BUSINESS]. Write this week's newsletter about
[TOPIC].

My audience is [AUDIENCE] and they value [WHAT THEY CARE ABOUT].

Structure:
- Subject line (+ 2 alternatives for A/B testing)
- Opening hook (first 2 lines that prevent deleting)
- Main insight (the one thing they should take away)
- Actionable tip they can implement today
- Soft product mention (not salesy)
- P.S. line that drives clicks

Tone: like a smart friend sharing advice over coffee. Under 400 words.
```

PROMPT 8

The TikTok/Reels Script Generator

Create viral short-form video scripts that hook viewers in 2 seconds.

```
Act as a viral content strategist. Write 5 TikTok/Reels scripts for my [TYPE OF
BUSINESS] targeting [AUDIENCE].

Each script should be 30-60 seconds and follow this structure:
- HOOK (first 2 seconds — stop the scroll)
- PROBLEM (relatable pain point)
- SOLUTION (your insight/tip)
- PROOF (quick result or example)
- CTA (what to do next)

Use trending formats: storytime, "3 things I wish I knew", hot takes, "stop doing X, do
Y instead", myth-busting. Make them feel authentic, not scripted.
```

PROMPT 9

The Revenue Stream Brainstormer

Find 10 new ways to make money from your existing audience.

```
I run a [TYPE OF BUSINESS] making money through [CURRENT REVENUE STREAMS]. My audience
is [AUDIENCE] and they struggle with [PAIN POINTS].

Generate 10 additional revenue streams ranked by:
- Ease of implementation (1-10)
- Revenue potential (1-10)
- Time to first dollar
- Startup cost

For each: one-sentence description, why it works for my audience, and the exact first
step to launch it this week.
```

PROMPT 10

The Market Validation Quick-Test

Validate any business idea in 7 days with $0 budget.

```
I have a new business idea: [DESCRIBE IN 2-3 SENTENCES]
Target audience: [WHO]
Price point: [PRICE]

Help me validate in 7 days with $0:

Day 1-2: What to research and where (specific subreddits, FB groups, competitor reviews)
Day 3-4: Create a validation experiment (landing page copy or survey)
Day 5-6: How to interpret results (go vs. no-go numbers)
Day 7: Decision framework — build, pivot, or kill?

Give me exact copy for a "smoke test" landing page.
```
